Supply and Service Contracts

INTRODUCTION

The general rules and conditions which follow, along with all other documents consisting of this "Bid Document," apply to all purchases and become a definite part of each formal invitation to bid, purchase order, contract, or other award issued by the Washington County Health Department's Purchasing Agent or (hereinafter "Purchasing Agent"), unless otherwise specified. Bidders or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting bids; failure to do so will be at the Bidder's own risk and they cannot secure relief on the plea of error. Bidders are advised that all costs related to preparing and/or submitting a Bid or Proposal shall be borne by the Bidder.

Satisfactory evidence of authority to bind the firm by the person signing the Bid when submitted by partnerships or corporations may be requested by the Washington County Health Department prior to making any award. Anyone signing a Bid as an agent shall include evidence of his/her authority to do so.

Subject to Maryland State and Washington County, Maryland (hereinafter "County") laws and all rules, regulations and limitations imposed by legislation of the Federal Government, bids on all advertisements and invitations issued by the Washington County Health Department Purchasing Office shall bind bidders to applicable conditions and requirements set forth herein unless otherwise specified in the Invitation to Bid. Should there be a conflict in laws between states, State of Maryland law shall prevail.

Should there be a conflict between the general bid conditions and the supplemental bid conditions (if any), the supplemental bid conditions shall prevail.

GENERAL CONDITIONS OF BIDDING

1. **Bids Binding for Ninety (90) Days:** Unless otherwise specified all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless the bidder, upon request of the Purchasing Agent, agrees to an extension.
2. **Bids for All or Part:** Unless otherwise specified by the Washington County Health Department or by the Bidder, WCHD reserves the right to make award on all items, or on any of the items according to the best interests of WCHD. Bidder may restrict his/her bid to consideration in the aggregate by so stating, but should name a unit price on each item bid upon; any bid in which the bidder names a total price for all the articles without quoting a price on each and every separate item, may be rejected at the option of WCHD.
3. **Catalogs:** Each Bidder shall submit where necessary or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the materials or work they propose to furnish.

5. **Competency of Bidder:** No proposal shall be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to Washington County or Washington County Health Department upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said County or WCHD, or had failed to perform faithfully any previous contract with the County or WCHD. The successful Bidder shall inform the Purchasing Agent of any and all circumstances which may impede the progress of the work or inhibit the performance of the contract including, but not limited to: bankruptcy, dissolution or liquidation, merger, sale of business, assignment, etc.

WCHD may examine the Bidder's and any first-tier subcontractor's records to determine and verify compliance with the contract. The Bidder and any first-tier subcontractor must grant WCHD access to these records at all reasonable times during the contract term and for three (3) years after final payment. If the contract is supported to any extent by Federal or State funds, the appropriate Federal or State authorities may also examine these records. The Bidder must include the preceding language of this paragraph in all first-time subcontracts.

9. **Errors in Bids:** When an error is made in extending total prices, the written unit bid price shall govern. In the absence of written prices, the unit bid price shall govern. Carelessness in quoting prices, or in preparation of bid, otherwise, will not relieve the Bidder. Erasures or changes in bids must be initialed.
10. **General Guaranty:** Bidder agrees to:
 - a. Save WCHD, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented, invention, article or appliance furnished or used in the performance of the contract which the Bidder is not the patentee, assignee, licensee or owner.
 - b. Protect WCHD against latent defective material or workmanship and to repair or replace any damages or marring occasioned in transit or delivery.
 - c. Furnish adequate protection against damage to all work and to repair damages of any kind, to the building or equipment, to their own work or to the work of other contractors, for which their worker is responsible due to the negligence in the course and scope of the employment.
 - d. Pay for all permits, licenses and fees and give all notices and comply with all laws, ordinances, rules and regulations of the County and State of Maryland.
11. **Illegal Immigrants:**
 - a. The Bidder shall comply with the Immigration and Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. 12. **Insurance:** Liability insurance on all major divisions of coverage for each and every Bidder and subcontractor shall be required for the length of the contract. Bidder and subcontractor must supply evidence of insurance upon request. Each Bidder agrees to assist in every manner possible in the reporting and investigation of any accident, and upon request, agrees to cooperate with all interested insurance carriers in the handling of any claims by securing and giving evidence and obtaining the attendance of witnesses as required for any claim or suit. The Bidder shall be prepared to show evidence of insurance as required under Washington County's Insurance Requirements for Independent Contractors Policy, included herein, prior to the execution of any contract. The Bidder, if requested, shall provide the Certificate of Insurance to the Purchasing Office within ten (10) calendar days after receiving a request for it. Failure to provide an acceptable Certificate of Insurance within the time frame stated above shall be cause to terminate the contract(s). The certificate shall state that such insurance is in force and cannot be cancelled or released except upon thirty (30) days prior written notice to WCHD. If any of the stated coverages expire during the term of this contract, the Bidder shall deliver renewal certificates to WCHD at least ten (10) calendar days prior to the expiration.
13. **Interpretations, Discrepancies, Omissions:** Should any Bidder find discrepancies in, or omissions from the documents or be in doubt of their meaning, he/she should at once request, in writing, an interpretation from:

Failure of any Bidder to receive any such addendum or interpretation shall not relieve such Bidder from any obligation under his/her bid as submitted. WCHD shall assume no responsibility for oral instructions or suggestions. ORAL ANSWERS WILL NOT BE BINDING ON THE WASHINGTON COUNTY HEALTH DEPARTMENT. Requests received after 4:00 P.M. on the date included in the Supplemental Terms and Conditions may not be considered.

18. **Multiple Bids:** No Bidder shall be allowed to offer more than one (1) price on each item even though he/she may feel that there are two (2) or more types or styles that will meet specifications. Bidders must determine for themselves which to offer. If said Bidder should submit more than one (1) price on any item, all prices for that item may be rejected at the discretion of the Purchasing Agent.

If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, and after award and before manufacture or shipment, the successful Bidder may be required to submit working drawings or detailed descriptive data sufficient to enable the Purchasing Agent to judge if each requirement of the specifications is being complied with.

 - b. The character, integrity, reputation, judgment, experience and efficiency of the Bidder.
 - c. The quality of performance of previous contracts or services.

 - e. The sufficiency of the financial resources and ability of the Bidder to perform the contract or provide the service.
 - f. The quality, availability and adaptability of the supplies, or services, to the particular use required.
 - g. The ability of the Bidder to provide future maintenance and service for the use of the subject of the contract.
 - h. Whether the Bidder is in arrears to the County or to WCHD on a debt or contract or is a defaulter on surety to the County or to WCHD.

- i. Such other information as may be secured having a bearing on the decision to make the award.

In determining a Bidder's responsiveness, the Purchasing Agent shall consider material deviations from the advertised specifications which materially affect price, quantity, quality or limit the Bidder's liability.

6. **Specific Bid Quantities:** Where quantities are specifically stated, acceptance will bind WCHD to order quantities specified and to pay for, at contract prices, all such supplies or services delivered that meet specifications and conditions of the contract. However, WCHD will not be required to accept delivery of any balances unordered, as of the contract expiration date; unless Bidder furnishes the Purchasing Agent with a statement of unordered balances not later than ten (10) calendar days after the termination date of the contract.
7. **Tie Bids:** If two (2) or more Bidders shall be tied for the lowest bid on a purchase contract, quality and service being equal, the contract shall be awarded to a local Bidder. If there is no local Bidder, or more than one local Bidder, WCHD shall award the contract to one (1) of the Bidders by drawing lots in public.

Behavioral Health Crisis Walk-In Center

Project Overview

Washington County continues to see a rise in the number of opioid related deaths similar to most other counties in the State of Maryland and most jurisdictions throughout the United States. In 2017 there were 309 overdoses and 39 deaths. In 2018, there were 347 overdoses and 63 deaths. In 2018 there was a 55% increase in opioid related deaths and the overall opioid related death rate increased by 5%. The effects of this crisis has been far reaching and has required more resources and treatment options for those in need of behavioral health services. The epidemic has also put a strain on all behavioral health services, emergency services, law enforcement and the local hospital. In an attempt to combat the opioid crisis in Washington County, the Crisis Intervention team and the Senior Policy Group have received funding to establish a 24/7 Behavioral Health Crisis Center and to increase mobile crisis services.

The clinical crisis walk-in service will be the hub of our county crisis response system because people need services that are accessible in a timely manner to reduce, and possibly deter, the crisis situation. This service would be available for all walk-in customers who are experiencing a behavioral health issue and require a short term intervention until a more appropriate, long-term treatment referral can be obtained from a provider. The Mobile Crisis Team may also refer individuals to whom they have responded to the Crisis Walk-in Center for services. The walk-in service would have the capability of providing screening and assessments, brief treatment and linkage to resources appropriate to specific needs. Staffing would consist of skilled professionals that can address all aspects of a personal crisis. The Crisis Walk-in Center would be located in the empty space that was once utilized by the Washington County Health Department Division of Behavioral Health Services' Outpatient Addictions Services at 925 N Burhan's Blvd, Hagerstown Maryland. This location is central to the downtown area and can be easily accessed by public transportation. This location could provide 10 to 12 slots for adults.
