YOU MUST REGISTER YOUR CHILD FOR THESE CLINICS

Register your child by following these steps:

1. Go to [Marylandvax.org](https://marylandvax.org)
2. At the home page, click on "Find a Vaccination Clinic"
3. On next page, in the box marked "search by school name or location, type in the nearest high school to your residence. (Clinics will appear in the next screen)
4. Choose which clinic you are available to attend
5. Follow the instructions to register your child/children. You will be instructed at the end to make an appointment. Do not forget to indicate which vaccines your child needs.

Get a copy of your family's official vaccination record at <https://md.myir.net/login/>
